How Are You Doing?! (Self-Assessment)

Throughout this assignment, you will continually monitor your progress regarding Unit 4 (Solving Systems). Follow the headlines to complete each chart. You do not need to use all of the spaces in each chart, and if you need extra spaces, please let me know! ☺ You should add to this assignment as often as possible, and at least two times per week. Your progress will be checked at random, and this assignment will be collected after the Unit 4 Summative Assessment.
