

## Reflect on your Projects, Quizzes, Tests, and Assessments 😊

Please state the name of the assessment you are looking back on.

- A. How do you feel about your work on the assessment? Were you please with the resulting product? Why or why not?
  
- B. Do you feel like you put forth your very best effort to prepare for and/or complete the assessment? Why or why not?
  
- C. What obstacles, if any, did you have when approaching the assessment, and how did you handle them?
  
- D. What steps could you have taken to improve your work?
  
- E. What steps could you have taken to challenge yourself further?
  
- F. What steps will you take to learn and grow from this assessment?
